3. Once the Facer ID is created, you can pair your smartwatch (Android or Apple watch) by following the on-screen instructions in the app.

4. After your Facer App is setup on your phone, go to https://durhamutsab.ca/downloads/ using your phone's browser.
5. Tap on the preferred watch face you want to use from our download page.

6. Tapping on the watch face will open it on your Facer app. You can then tap on the "Sync" icon (red circled) to sync it on your smartwatch. Keep the watch in front of you to check the result right away. The sync process may take a few seconds.
